Active Ingredients (in Each Caplet): Acetaminophen 500 mg, Diphenhydramine HCl 25 mg. Purposes: Pain Reliever/Sleep Aid. Uses: For the temporary relief of occasional headaches and minor aches and pains with accompanying sleeplessness. Warnings: Alcohol Warning: If you consume 3 or more alcoholic drinks every day, ask your doctor whether you should take acetaminophen or other pain relievers/fever reducers. Acetaminophen may cause liver damage. If sleeplessness persists continuously for more than 2 weeks, consult your doctor. Insomnia may be a symptom of serious underlying medical illness. Do not take for pain for more than 10 days or for fever for more than 3 days unless directed by a doctor. If pain or fever persists, or gets worse, if new symptoms occur, or if redness or swelling is present, consult a doctor because these could be signs of a serious condition. Do not take this product, unless directed by a doctor, if you have a breathing problem such as emphysema or chronic bronchitis, or if you have glaucoma or difficulty in urination due to enlargement of the prostate gland. Avoid alcoholic beverages while taking this product. Do not take this product if you are taking sedatives or tranquilizers without first consulting your doctor. Do not exceed recommended dose. Keep this and all drugs out of the reach of children. In case of accidental overdose, contact a physician or poison control center immediately. Prompt medical attention is critical for adults as well as for children even if you do not notice any signs or symptoms. As with any drug, if you are pregnant or nursing a baby, seek the advice of a health professional before using this product. Do not use with any other products containing acetaminophen. CAUTION: This product will cause drowsiness. Do not drive a motor vehicle or operate machinery after use. Directions: Adults and children 12 years of age and older: Take 2 caplets at bedtime or as directed by a doctor. Children under 12 years of age: Do not use this adult product in children under 12 years of age. This will provide more than the recommended dose (overdose) and could cause serious health problems. Do not use if container wrap imprinted with "Safety Seal®" is broken. Inactive Ingredients: Cellulose, Cornstarch, FD&C Blue #1, FD&C Blue #2, Hydroxypropyl Methylcellulose, Magnesium Stearate, Polyethylene Glycol, Polysorbate 80, Sodium Citrate, Sodium Starch Glycolate, Titanium Dioxide. Store at room temperature.
